PSC SETS INTERVENTION DEADLINE IN SEWER CASE

Jefferson City (May 24, 2002)---The City of Foristell has filed an application with the Missouri Public Service Commission seeking Commission approval for the transfer of the assets of Eastern Missouri Utilities Co., Inc. to the City of Foristell.

The application states, but does not clearly state, that the City of Foristell seeks approval for the transfer of assets of the now-defunct utility company, which transfer occurred in 2000. The company, according to the City of Foristell, had been providing sewer service to "six residents" and the City of Foristell is now providing that service.

Applications to intervene and participate in this case must be filed on or before **June 21, 2002**, with Dale Hardy Roberts, Secretary, Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102. Copies of the application should be sent to: Jayson B. Lenox, Esq., Niedner, Bodeux, Carmichael, Huff, Lenox, and Pashos, L.L.P., 131 Jefferson Street, St. Charles, Missouri 63301; the Office of the Public Counsel, P.O. Box 7800, Jefferson City, Missouri 65102-7800; and the Office of the General Counsel, Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102.

If no one is granted intervention and no one requests a hearing, the Commission may determine that a hearing is not necessary and that the applicant may submit its evidence in support of the application by verified statement.
